Total = 14,299 GSF

CLB-4 (M29030) has relocated from Camp Foster to Camp Schwab. This BFR consolidates space requirements for CLB-4 and its four subordinate units: Headquarters Company (M29111), Combat Logistics Company Alpha (M29112), Combat Logistics Company Bravo (M29113), and General Support Company (M29114). All four companies are collocated at Camp Schwab under Planning Area SW. Facility requirements are calculated from the FY2026 Table of Organization and Equipment (TO/E) dated 02 February 2026, reflecting 310 total assigned billets. CCNs cover armory storage, automotive organizational maintenance, vehicle wash, and battalion headquarters administrative space.

TOTAL REQUIREMENT: 14,299 GSF
